

Dear Faith Community Nurse,

The Lutheran Faith Community Nurse Association (LFCNA) exists to be a practice support and resource for you! If you are Lutheran or practice Faith Community Nursing in a Lutheran congregation you are eligible to join.

If you have taken a Faith Community Nurse (FCN) preparation course and are in practice you can become a member of LFCNA for annual dues of \$40, or \$60 for a two-year membership. Membership offers you the following benefits:

- reduced registration for our educational programs (we currently offer 5-6 webinars each year with contact hours),
- access to the information and resources in the Member's Only section of our website,
- access to the LFCNA Member Directory for networking purposes,
- discounts for membership in Nurses Christian Fellowship, which includes a subscription to the Journal of Christian Nursing.

LFCNA exists to promote Faith Community Nursing as a growing and essential specialty in the profession. Please visit our website at <https://lutheranfcna.org> and learn more about us. Much of our website is public, but as mentioned above there are some excellent resources provided to members only.

For further information, please contact us at lutheranfcna@gmail.com. To join go to <https://lutheranfcna.org/join-us>. We are committed to supporting FCNs and health ministries in congregations/communities.

Blessings,

Carol DeSchepper, LFCNA Executive Director and
the Outreach Committee of LFCNA
